

# Oh the beautiful clouds

# Darkness at noon

# High above the seas

Far away we see  
the target of the wonderful flight

# The three sisters

# Two foreigners at the air base ...

# The white beauty arriving

# The white beauty in white surroundings

# Briefing in the hangar while refueling

# Wolfie Messer

# Drop the sonde there!

# Up your nose!

# Looking into the belly of the beauty

# The shy one

They think they can steer the beauty

# The beauty leaves again

# The boss
