

Key List for Bibliography File: SHORTY,RADAR
November 16, 2000

- Dubosclard:99** G. Dubosclard, R. Cordesses, P. Allard, C. Hervier, M. Coltelli, and J. Kornprobst.
First testing of a volcano doppler radar (voldorad) at mount etna italy.
Geophys. Res. Lett., **26**, 3389–3392, 1999.
- Grecu:00** M. Grecu and W. F. Krajewski.
An efficient methodology for detection of anomalous propagation echoes in radar reflectivity data using neutral networks.
J. Atmos. Oceanic. Technol., **17**, 121–129, 2000.
- Rinehart:81** R. E. Rinehart and J. D. Tuttle.
A technique for determining antenna beam patterns using a ground target.
In *Preprints, 20th Conf. on Radar Meteorology, Boston*, pages 672–675. Amer. Meteor. Soc., 1981.
- Rubin:00** W. L. Rubin.
Radar-acoustic detection of aircraft wake vortices.
J. Atmos. Oceanic. Technol., **17**, 1058–1065, 2000.
- Trapp:00** R. J. Trapp and C. A. D. III.
Radar data objective analysis.
J. Atmos. Oceanic. Technol., **17**, 105–120, 2000.
